ABSTRACT: These mandatory guidelines are provided for preparation of papers for 2010 CONINFRA, August 4th to 6st 2010, São Paulo, SP, Brazil. To assure timely and efficient production of the proceedings with a consistent and easy to read format, authors must submit their manuscripts in strict conformance with the guidelines. The Scientific Committee will review papers. All papers accepted by the International Congress Organizers will be published provided they satisfy these guidelines and arrive by the due date, April 15th, 2010 to Dr. Rita Moura Fortes: ritafortes@audit.org.br or audit@terra.com.br. The proceedings will be produced directly from author-prepared manuscripts, in electronic form, in A4 paper size 297 mm x 210 mm (29.7 x 21 cm). The proceedings will be distributed to registrants at the Congress. Your cooperation in adhering to these guidelines and the timeline is greatly appreciated by the Organization Committee. The Scientific Committee may disregard any paper that does not conform to the specified requirements and if the author does not register by June 12th, 2010. The instructions in this guideline document have been prepared in the requested format for publication in the Congress Proceedings. Type the text of the abstract, Times New Roman, 12 font size and single-spaced in one paragraph, with a concise abstract limited to 300 words. Papers will be accepted in English, Spanish or Portuguese. After leaving one blank line, type **KEY WORDS**.

KEY WORDS: transport, infrastructure, congress, transport, guidelines (capital letters, Times New Roman, 12 font size, single-spaced, justified), followed by a maximum of five (5) key words. The first heading should follow the key words, after leaving two blank lines.

04-XXX (Aligned center, Times New Roman, 10 font size, bold (identification number))

MANUSCRIPT

The main body of the manuscript starts on the beginning of a new page, after a break page. All papers should be sent to the Congress in digital form by email, as an attached Word document file. The paper file name should be Paper number as shown on the title page. A copyright transfer agreement form, signed by the primary corresponding author should be mailed on the mailing address provided at the end of this guideline document file. The papers must be received by the deadline of April 15th, 2010.

All manuscripts are limited to a minimum size of 8 and no more than 15 single-spaced pages in the final version of the Congress proceedings, including: title page, abstract page, figures, tables, and references. The font type of body text including abstract of all papers should be Times New Roman with a size of 12, and should be justified. The paper's upper margin shall be 35 mm and lower margin shall be 20 mm, with left and right margins 20 mm.

Each paper shall have *CONINFRA 2010 - TRANSPORTATION INFRASTRUCTURE CONFERENCE* title in English in *italics* with a font size of 10 in the footer of the first page and each additional page as shown in this guideline Word document file. All headings, subheadings, and text must be aligned left with no indent.

Apply page numbering 1, 2, and 3... on right in the footer in regular Times New Roman and 10 font size, as shown in these guidelines. You can copy this guideline Word document file and follow the exact instructions to prepare your manuscript file.

TITLE PAGE

The name of the event must be at the top of the title page, in bold capital letters, Times News Roman, 18 font size, aligned center in English as shown on the first page of this document.

The title of the paper manuscript must be in bold capital letters, Times News Roman, 12 font size, and aligned center. Use more than one line if necessary, but always use single line spacing (without blank lines). Then after one (1) blank lines, present a Authors' picture and type the Authors' name, affiliation (position, institution, and country), and e-mail addresses, as showed in this guideline. If the authors are more than three, the authors' picture will not present and only the Authors' name, affiliation (position, institution, and country), and e-mail addresses.

The author(s)'(s) name(s) must be in Times New Roman, capital letter, and 12 font size.

The author(s)'(s) e-mail and conventional address must be in Times New Roman, regular, and 12 font size.

04-XXX (Aligned center, Times New Roman, 10 font size, bold (identification number))

MAIN BODY TEXT

Type single-spaced text with one blank line between paragraphs and one blank line after headings. Start paragraphs flush with left margin. The whole text should be regular Times New Roman with a font size of 12 and justified.

Units of measurement will be SI.

At the end of the paper, list all references in alphabetical order, underneath the heading REFERENCES, as in the example. References should be cited in the text through the last name of the author and the year of publication (Fortes; Merighi, 2003). Please limit the number of references to the ones that are strictly relevant for the paper. The use of ISBN or ISSN codifications will be appreciated.

HEADINGS

Type major headings in bold capital letters without underlining and aligned left; leave one blank line before the **HEADING** followed by an additional blank line as shown above.

Subheadings

Type subheadings in bold upper case and lower case letters and aligned left, leaving one blank line before the **Subheading**, but do not follow with another blank line as shown above.

ILLUSTRATIONS

Figures, line drawings, photographs, tables... should be placed in the appropriate location, aligned center, and positioned close to the citation in the document. They should have a caption, 12 font size, and should be numbered consecutively, e.g. Figure 1, Figure 2, Table 1, and Table 2.

You are requested to present clearly readable figures. This means that their size is big enough to distinguish the major details. Also the amount of information in a figure must be limited to a minimum, enough to illustrate the text as intended by the author.

Table title should be placed at the top of the table. Figure title should be placed at the bottom of the figure.

The equations should be numbered consecutively placed in the appropriate location, 1.25 cm aligned left, and the number must be placed between parenthesis, 1.50 cm aligned right.

FOOTNOTES

Do not use footnotes. If you need to use footnotes, mark it by (*), (**), (***), and put them in *italic* after References on the last page of the paper.
